

# E-filing is Coming Soon!

## Electronically File Court Documents with Odyssey eFileCA

ODYSSEY®  
eFileCA

Odyssey® eFileCA™ enables attorneys to automatically file documents across multiple California courts in real-time, from anywhere — 24/7. This highly automated system provides attorneys the opportunity to transition from an inefficient, paper-based process to a streamlined, Web-based e-filing system. eFileCA reduces the cost and manpower needed to print, copy, store, deliver and file legal documents, resulting in increased efficiencies and productivity, and allowing attorneys more time to focus on other critical tasks.

### Odyssey eFileCA benefits include:

- Enhanced and automated reporting and financial reconciliation
- Reduced average filing times
- Eliminated routine trips to the courthouse
- Increased access to file stamped copies of your court documents
